

Jade

LOCATION: Surfers Paradise, Gold Coast
CLIENT: Bezzina Group

A luxury residential development with absolute Surfers Paradise beach frontage, Jade includes 13 'skyhomes' – each planned on an independent floor plates to take advantage of the panoramic ocean aspect – and 2 beach houses nestled into the sand dunes.

The interior design is a sophisticated pallet of materials and finishes reflecting the surrounding coastal context. The quality of the interior spaces is underpinned by refined and precise detailing of limestone, marble and timber veneers.
